Report on E-Waste Management

Over the last two decades, the electronic equipment has increased dramatically around the world, which causes increasing in e-waste as well. This increasing has affected the environment badly. E-waste disposal has become one of the most critical issues and concerns have risen of it because most of these products do not biodegrade easily and they are toxic. Different strategies have been followed in many countries in order to solve the e-waste problem.

For the management of above said E-Waste Shri Lemdeo Patil Mahavidyalaya, Mandhal has tied up with Suritex Pvt. Ltd. which is an authorized Electronic waste Recycler by Maharashtra Pollution Control Board (MPCB).

Through the awareness programme Dr. Deepak Taikar (HOD Physics) and Dr. Navneet Lamba (HOD Mathematics) collected the Electronic waste or E-waste like old computers, mobile phones, chords, wires and various types of batteries etc. from students of BA and BSc and handed to Suritex Pvt. Ltd. on dated 21 January 2023 for its proper disposal.
