Green Club Report 2023-24

The Green Club is a joint initiative between the Higher and Technical Education Department, Government of Maharashtra, and UNICEF Maharashtra, with technical support from ACWADAM, CEE, and Why Waste.

Objectives of Green Club:

The Green Club (GC) will be established to provide the values of environmental stewardship among the students. It aims to work towards an eco-friendly environment in and around colleges and education institutions by efficient use of resources like water, waste, energy and circularity. The formation of Green Clubs will primarily focus on coordinating with youth in universities and colleges to support environmental activities and projects within colleges and communities as extension services. Under this program, the aim is to empower students to participate in and take up meaningful environmental activities and projects. Green Clubs would be imbued in college-level curricular activities to ensure effective implementation and act as a platform to develop sustainable lifestyles, knowledge, and leadership skills.

Implementation:

In the college, the Green Club is established nearly about 110 students which are active members.

Prof. Pankaj Meshram is the Master Trainer of the Green Club who has nearly more than 20 colleges under his guidance.

Prof. Ritesh Raikundliya is Green Club Faculty Co-ordinator of the college.

Green club provides platform to students to take part in various activities.

Green Club consists of President (Youth), Vice President (Youth), Campaign Coordinator (Youth), Documentation Coordinator (Youth).

Following Table shows the Green Club Structure of college.

Sr. No.	Name	Designation	Class
1.	Prof. Ritesh Raikundliya	Faculty Coordinator	
2.	Ms. Pratiksha Sonkusare	President (Youth)	B.Sc. III
3.	Ms. Rashmi Dighore	Vice-President (Youth)	B.Sc. III
4.	Ms. Sayali Ghuguskar	Coordinator (Campaigns)	B.Sc. III
5.	Mr. Sahil Dahake	Coordinator (Documentation)	B.Sc. III

Various Initiatives taken by Green Club

POLICY DOCUMENT ON THE GREEN CAMPUS

Shri Lemdeo Patil Mahavidyalaya, Mandhal is a quality conscious college. It protects its own environment with its green campus initiative and keeps pollution free campus. Environment development is its basic work with the educational policies implemented on the campus. The green atmosphere of the college is largely due to tree plantation. There are different types of trees and plants in the campus. Trees have nearly covered the fencing area. They help to maintain the ecosystem. Planting of saplings by the Management, Principal, Teachers, Students and Staff at various functions inbuilt an eco-consciousness in the college practices. Planting a large number of trees in the villages is one of the regular features of the NSS Camps. The trees are planted in the villages by the NSS volunteers and also at the places from where the fetches the admission is a remarkable to the college.

Our environmental policy:

- To create awareness regarding environmental policy amongst the students, management and nearby villagers.
- As per the govt. rules and regulations regarding the instructions of tobacco free campus signboards are displayed at various places on the campus. Pollution free campus is maintained by avoiding tobacco, pan-masala, chewing on the campus.

- To sensitize the students and staff regarding the use of drinking water properly for which, we have provided purified (RO aqua-guard) drinking water facilities on the campus.
- To bring in use the 'Rain Water Harvesting' on the campus. We have collected the rain water from the college roof and it is percolated in the land through bore well.
- Circular by Principal every year regarding use of public transport or carpooling or use of bicycle. It helps to save the fuel, avoids the environmental pollution.
- To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
- To use the solid waste through compost on the campus and use it as a fertilizer.
- To use dust bins in the college campus so as to keep college campus clean.

PLASTIC BAN NOTICE

Environment issues are now a day's becoming a global and local concern. It is also being found that college campuses are often the source of enormous amount of plastic pollution. With the goal to make our college a plastic free campus, awareness banners have been displayed at different locations of our college.

Considering the facts, all faculties, staff members, vendors and students are hereby informed that use of plastic bags with more than 40 microns within the college campus is banned from today onwards.

All are requested to be a part of the awareness campaign.

BREIF REPORT OF ACTIVITY-1 (SESSION 2023-24)

TITLE OF ACTIVITY:	Tree Plantation Week
Objective of Activity:	To save environment & reduce global warming
Date:	1 st July to 7 th July 2023
Venue:	Premises of Shri Lemdeo Patil Mahavidyalaya
Name of Coordinator:	Dr. Mahesh Gaidhhane (NSS Programme officer) Prof. Sunil Alone and Dr. Deepak Taikar
No. of Participants:	46 Students & 7 Faculties

As per the orders from state Government's revenue and forest departments, a massive tree plantation Week (Vanamohotsav Saptah) was organized by the NSS unit from **1st July to 7th July 2023** under the '*Wruksharopan Abhiyan*'. The objective of the activity was to create awareness about saving environment and reducing global warming. The main message of the programme was that every citizen should plant at least one tree in his area to protect and conserve the environment out of gratitude for nature's gift. Under this programme more than 65 trees were planted in the college premises and in the vicinity in order to give a strong message about reducing the intensity of global warming and adverse changes in the weather. The program was chaired by the principal of the college, Dr. Pradeep Ranadiwe sir. NSS Programme Officers Dr. Mahesh Gaidhane, Prof. Sunil Alone and Dr. Deepak Taikar were present as the Chief Guests. The College staff including Dr. Navneet Kumar Lamba, Dr. Dilip Ganthale, Prof. Pankaj Meshram, Dr. Smita Kharkade, Mr. Vijay Raghorte, Prof. Krishna Gangulwar, Prof. Ritesh Raikundlia, Prof. Pankaj Uikai and Shri. Vasant Bujade actively participated in the programme. All the students of the college worked hard to make the program a success.

BREIF REPORT OF ACTIVITY-2 (SESSION 2023-24)

Title of Activity: National Energy Conservation Day

Date of Activity: 14th December 2023

President of Programme: Dr. T. R. Kapgate, HOD Department of Marathi

Speaker: Dr. M. K. Gaidhane, Department of Chemistry

Prof. Pankaj Meshram, HOD Department of Chemistry

Organizer: Rotaract Club & EVS Department

In today's world, facing challenges of climate change and energy security, National Energy Conservation Day holds greater significance. Promoting energy conservation helps reduce reliance on fossil fuels, mitigate climate change, and create a sustainable future for all. It underscores our collective responsibility to address environmental concerns through mindful energy consumption.

On this occasion, the Rotaract Club and EVS department of the college organised an awareness programme on National Energy Conservation Day, which was celebrated on December 14, 2023, in order to spread the message about the importance of conserving energy and to showcase the achievements of the nation in energy efficiency and conservation.

Speakers of the program, Dr. Dr. Mahesh Gaidhane and Prof. Pankaj Meshram, spread awareness about global warming and climate change through their speeches and encouraged initiatives to conserve energy resources. Dr. Tirthraj Kapgate focused on the importance of energy conservation. Dr. Navneet Lamba presented the introductory remarks, and Prof. Nupoor Bhurale delivered the vote of thanks. All the teaching and non-teaching staff of the college attended the programme.

BREIF REPORT OF ACTIVITY-3 (SESSION 2023-24)

Title of Activity: AWARENESS ON ‘BAN ON SINGLE USE PLASTIC’

Date of Activity: 10th April 2024

Speaker: Rotaract Club Members of College

Organizer: Dr. Navneet Kumar Lamba
Teacher In-charge, Rotaract Club

On July 1, 2022, the government of India banned single-use plastic items that have low utility but are frequently littered around, such as plastic straws. The aim of the ban is to curb plastic pollution, since single-use plastic harms terrestrial and aquatic ecosystems. India's ban on single-use plastic items includes straws, cutlery, earbuds, packaging films, plastic sticks for balloons, candy and ice cream, and cigarette packets, among other products.

To prompt the plastic ban on college premises under the supervision of Principal Dr. T. R. Kapgate and Dr. N. K. Lamba (Teacher Incharge, Rotaract Club), Rotaract Club volunteers organised an awareness activity. In this awareness programme, Rotaract Club volunteers visited class to class and spread awareness about the ban on single-use plastic. Also, Rotaract Club members highlighted the ill effects of single-use plastics on human beings and nature.

The awareness camp also includes the laws and penalties issued by the government of India. The core essence of reuse, up cycling, and alternatives were also discussed. The students were asked to create awareness in their surroundings and promote the use of eco-friendly alternatives.
